*Meet Our
New Music Director
Lars Potteiger*

Lars Potteiger most recently served as Director of Music at Reformation Lutheran Church in the Reading area. He previously served congregations in New York City and Cincinnati.

In addition to his work in the church, Lars taught as an adjunct professor at Albright College and lecturer at the University of Cincinnati. He maintains an active schedule as a jazz performer, composer, producer, recording artist, and clinician throughout the United States. He has also had the pleasure of performing on a few Grammy nominated recordings. Lars holds a Bachelor of Music degree from the University of Cincinnati College-Conservatory of Music, where he graduated magna cum laude.

When not making music, Lars enjoys cooking and eating all kinds of cuisine from every part of the globe and is an avid exerciser, outdoors enthusiast, and gardener. ■

Letter from the President

The year is starting off with some exciting changes. We welcomed Lars Potteiger as our Director of Music Ministry in the middle of last month and we are gearing up for a candidating weekend with whom I can only hope will be our new Associate Pastor. The future is filled with bright promise. It took a lot of hard work from two wonderful teams. My sincerest thanks to the Search Committees for both positions.

As we worked through the processes of filling these positions, I often found myself hoping the process would be quick. The Associate position in particular. We, as a congregation, rely heavily on Pastor Kuhn and I did not want to see her burn out. Thankfully, God had another idea in mind. It is to Him, that I thank for the somewhat slow (though I have heard others have been slower) process, because had we filled the position quickly we would not have had the need for Stephanie and Jonathan. Sure, they would still have had the opportunity for their internships, but not any of the extra time that we have been blessed with to get to know them. Two unique, funny, strong, charming souls that have blessed my life, and our church's life. God blesses us with what we need, or in this case who, instead of what we want.

But it is scary though, letting faith take the driver's seat. Sitting back and allowing the Spirit to work. In

this day and age, we yearn to control so much, and control it at an instant as well. It is a struggle to hand that over. What are we left with when we do?

We are left with a chance to open up and speak to God in ways we didn't know we needed. There is a quote from the 1838 poem *Festus* by Philip James Bailey that had made its way onto inspirational boards on the Internet. It says "Prayer is the Spirit speaking truth to Truth". Now: Full disclosure, I have never read the actual poem, but the quote I have loved. My interpretation is that when we allow ourselves to sit in the vulnerability, that is when we have the most honest conversations with God. We allow the Spirit the ability to work. It is in those times when we are heard.

So I choose to be thankful for the prayers God doesn't answer. And I practice sitting back and letting the Spirit drive. I choose to practice it every day – I may not succeed, but then again God had to have known that when he blessed me with this strong will!

Blessings,

Christa DiDomenico Conrad

New Campaign to Forgive Lancaster County Medical Debt

21 Churches, members of the Parish Resource Center (Apostles UCC is one of them), are launching a campaign to **Forgive Lancaster County Medical Debt**. The campaign aims at raising \$31,000. That \$31,000. will **FORGIVE 31 Million Dollars** of medical debt. This will help an estimated 4,000 families in Lancaster County by eliminating this burden. Medical debt is a debt of necessity which can affect anyone. It shows up on credit rating reports which are used by landlords, and employers to determine **who can rent an apartment, or get a job**. Of all debt "in collections", half is medical debt.

RIP Medical Debt is a non-profit organization which negotiates with collection agencies to buy medical debt. (see www.ripmedicaldebt.org) They researched and discovered the \$3.1 million of medical debt on sale for \$31,000. The Parish Resource Center heard about this opportunity, and asked Lancaster Churches to respond. Apostles said YES!

Between now and April 30, 2020, you will be asked to contribute to this campaign. Your check toward this effort should be made out to **Church of the Apostles, with "medical debt forgiveness"** on the memo line. Some of the 21

We also enjoyed reciting and rhyming with Nursery Rhymes! We were able to dress up as a nursery rhyme character and even competed in the nursery rhyme Olympics during gym class!

The Preschool also had their Open House for the upcoming 2020-2021 school year. Are you looking for a loving, caring, high-quality educational preschool experience for your child? If so, registration is still open and we would be honored to be your child's

Energy from Natural, Renewable Sources

By Barbara Achtermann

Most of us celebrate God's gifts in nature. Fresh air, wind in our hair, sun on our bodies, the warmth or coolness from the ground below our feet bring us joy.

Those same elements could bring us electricity, and cause less pollution than the burning of fossil fuels. Solar, wind and geothermal energies are more available now, and less expensive than in the past.

*When more of us pick our supply
from companies using renewable energies,
we make powerful statements.*

In Pennsylvania, each of us can choose the source of the energy supply to our homes. When more of us pick our supply from companies using renewable energies, we make powerful statements. We celebrate God's creation by making that choice.

If you are inclined to say, "Yes, but...." Talk with a member of COA's Green Team.

Better, yet, come to our Green Team education session on Sunday, February 2, in the Parlor at 10:45 AM. ■

Medical Debt

Continued from page 5

Churches currently involved in this effort, have pledged \$2,000., and some already have started campaigns.

Some of the churches are small and fear they may not reach that mark. Others, like Church of Apostles, have a history of meeting, and exceeding, such goals. (Yea, us)

If wiping out \$3.1 million of medical debt for \$31,000 seems too good to be true, and you want to know more, look for both a **one page summary**, "**Lancaster Churches Forgiving Medical Debt in Lancaster County**", and a 5 page document, "**Partner with RIP Medical Debt**" in the church lobby. ■
