Letter from the President

The season of Lent began last month and my Facebook feed was inundated with all of my friends stating what they were giving up. Some were giving up chocolate or desserts, others were saying no to alcohol, others were signing off of social media for six and half weeks with a digital detox. It has made me think of how commercialized Lent has become. Though through that commercialization I have found some gems that really speak to me....everything for a reason, right?? My favorite post by far is in the words of Pope Francis and speaks not only on what to give up for Lent, but also what to replace it with. In the UCC, we don't really "give things up for Lent" – instead we dig deeper into what all this means to us. But isn't this a wonderful place to start?

For this month's message, I thought I would tell you a little about myself outside of the church walls. I am a wife and mother of two wonderful boys. Trey is 18 and Finn is 6. I am an Operations Manager and Design Consultant for Budget Blinds of Lancaster and York. My career is very dependent on our clients. Without them, I do not have a job. That fact is not lost on me, and I make sure that my team lives and breathes that as well. This year, our goal is to focus on "what good customer service looks like to our client". We are flipping the script from our usual way of thinking. This has really opened our eyes to the little things that set us apart from our competition.

As the Lenten season began this year, I've listened to Pastor Kuhn preach about what expectations we are putting on others and it seemed reminiscent of my work motto. Maybe the question to be asking this season, is "What does being a good Christian look like to those I am trying to help?" So often we think we know the answer to another's problem and try to impose our way on them when maybe all they really needed

was someone to listen. How do we flip the script in our spiritual lives and fulfill others in the way they need?

Now, don't get me wrong...I am a chatty, opinionated person! I will always say what I am thinking and give my "two cents" whether it is solicited or not. This concept is a hard one for me....it means I need to shut my mouth and think first!! But this is one of the things I am giving up for Lent: "Fasting from words and be silent so you can listen".

Blessings,

Christa DiDomenico Conrad

DO YOU WANT TO FAST THIS LENT?

In the words of Pope Francis

- Fast from hurting words and say kind words.
- Fast from sadness and be filled with gratitude.
- Fast from anger and be filled with patience.
- Fast from pessimism and be filled with hope.
- Fast from worries and have trust in God.
- Fast from complaints and contemplate simplicity.
- Fast from pressures and be prayerful.
- Fast from bitterness and fill your hearts with joy.
- Fast from selfishness and be compassionate to others.
- Fast from grudges and be reconciled.
- Fast from words and be silent so you can listen.

He has a "clinical cycle" in April, and a trip in May for a "cross-cultural" experience, meaning several weeks absence from duties with us. At the end of July, he begins a new Internship. She notes that **Rader Park** has been named "**Lancaster's Best Small Park for 2019**".

Members shared ideas for celebrating this, as well as the fact that our building itself is 40 years old this year. In addition to social media use, a "Come Experience Lancaster's Best Small Park" Banner was proposed. A Birthday Carnival was suggested for the summer.

The **Growth Task Force** is developing a plan to contact new homeowners in a 3 mile radius of the church inviting them to worship and programs at Church of Apostles.

New Business: Council member's names were put in a hat, and drawn. Calls to the chosen member are to be completed before the next meeting.

Outreach

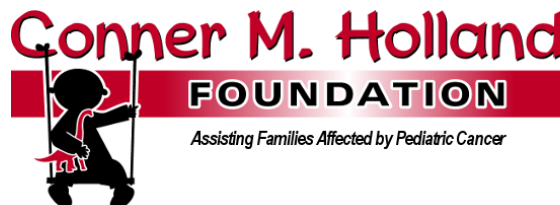

Apostles Caring Cart

Many thanks to all of you who supported the Transitional Living Center by donating much needed items! They will be thrilled to receive these donations when I take them in the first week of April.

Our next ministry in the Apostles Caring Cart is to support Conner's Comfy PJs! Conner Holland was a young child from Lititz who lost his battle with cancer when he was five years old. While Conner was receiving treatments he told his parents that he wished that all children with cancer could have comfy pajamas to wear. After his death Conner's parents started a foundation in his memory called the Conner Holland Foundation. Part of their mission is to collect pajamas for children receiving cancer treatments. We have been supporting this ministry for several years by collecting pajamas for these children.

Outreach

They are asking for girls' and boys' pajamas sizes 2T to age 18. They are especially in need of jammies for the older kids. Please consider participating in this wonderful ministry by donating new pajamas to the Apostles Caring Cart in the Narthex during the months of April and May. Donations will be given to the Holland family at the end of May. Thank you!

Apostles Community Preschool

Apostles Community Preschool had a wonderful time chasing leprechauns, rainbows, and pots of gold while celebrating St. Patrick's Day! "A rainbow of friends is a dream we can share where everyone's treated with kindness and care." Rainbows are a beautiful reminder of God's love for Noah and for the earth!

We are looking forward to celebrating Easter and enjoying the Bunny Breakfast. In conjunction with the Bunny Breakfast, the Preschool's Parent Council will be sponsoring a basket auction. We hope to see you there!

Thank You!

To my COA Family,

Thanks you to Pastor Kathy and Dan for your visits and prayers. Thanks to all of you for your prayers, hugs, cards, and notes. Thanks to all those who drove me to multiple medical appointments (and all those who offered and I did not get to use). Thanks to all those who picked up the phone when I called you and really "needed to talk". I feel truly blessed to be part of this wonderful church family, God is Good, all the time.
Sincerely, Nancy Steger

Our family would like to thank COA members for their support during our mother's battle with cancer, broken leg and her last illness. She certainly appreciated the thoughts and prayers she received from the congregation. She often said prayers do work while she was battling cancer.

A special thank you to Pastor Kuhn for coming over to Homestead at 6:30 am to talk with my mother and pray for her on the day she died. As Pastor Kuhn said in her Facebook post announcing her death, she got her wish. She was ready and prepared to die. So while we mourn her death, we also celebrate the wonderful life that she lived. When she was in the hospital this last time she told us not to cry for her when she dies, "I lived a good life".

Ellen, John, Cory, Shaina and her pride and joy Journey.

Church of the Apostles ,

Many thanks for the lovely flowers which we enjoyed for several weeks. Pastor Kuhn and Dan's visits were very much appreciated and it was a pleasure and fun to spend some time with them.

Thank you for your kindness and thoughtfulness.
