From the Pastor...

May is a beautiful month for recognizing the beauty of God's creation and the new life that God continues to create around us. In this season after Easter, we are also called to notice the new life God is creating within us – the small resurrections we can experience when forgiveness is shared, relationships are mended, and we awaken to the blessings of life.

In worship this season, we are studying creation spirituality which invites us to look at ourselves as a blessing to bless the world. In these days of deep division, we hear God's covenants with us and are encouraged to realize the gift which life itself is. This is naming blessings as seeing the sun rise and set, seeing the flowers bloom and fade, seeing the new growth of the ground even if it is what we would name a weed. God brings about new life every day and sometimes we miss seeing it or are ungrateful the gift.

To help us explore the idea of creation spirituality more deeply, the Rev. Dr. Dennis Lippart has agreed to teach a class on it and the works of Matthew Fox, a leader in creation spirituality, on Sundays following the 10:45 service in the parlor. Dennis is very familiar with Fox's work and the work of others on this topic. I have also purchased several of Fox's books which will be available on the lending library rack in the main narthex. I

hope
of this

you will take advantage
opportunity.

Letter from the President

As I sat down to write this month's crown article, it struck me that it is May. This year has been so busy for me that we are five months in and I still feel like the year just started. Lots of big things are happening in the next couple of months for my family and I know I will blink again and it will be fall. Finn's birthday is this month, and he will be 7. Trey will attend his senior prom and get ready for graduation from high school. I will be traveling for work again. We have school concerts to gear up for and general end of year celebrations. Like most families today....we are always on the move!

Through Lent I took to heart the lightening of the load we carry, only to find that when I have empty space somewhere I fill it. I think that is why I enjoy the reminder Pastor Kuhn gives at the beginning of the service...to breathe deeply of the Holy Spirit. I look forward to that reminder, when the demands of the world quiet and I can focus on one task. I find that writing these articles have the same purpose for me. I struggle at times to organize my thoughts for the page, so I always start these by taking a deep breath. To be completely honest, I take more than one throughout the process as well - usually around drafts two and three!!

As the year marches on, I am making it a goal to breathe deeply and center my attention for the task at hand. Many changes are on the horizon for me personally as

Trey leaves for college. I may hyperventilate as I try to breathe through that!! More importantly however, change is on the horizon for us as a congregation. As the Search Committee steps through the process of finding an Associate Pastor, we will need to prepare ourselves for that. Remembering that the way we have always done things is not the only way...and embracing the new can be more fulfilling than running through the motions. It's then that we pay attention to the meaning behind the actions. We need to breathe and remember that with someone new, change is inevitable. Great things are ahead in our ministry and we need to breathe that to life. *Deep breath in....and out*

As I close, I want to thank each of you, for I have heard many reports from visitors that we are a friendly and welcoming congregation. Actions speak so loudly and people are hearing us!

Sundays at 9:15 a.m. and 10:45 a.m.

CHURCH OF THE APOSTLES COUNCIL MINUTES March 18, 2019

Present: Christa Conrad, Betsy Bischoff, Delaney Breslin, John Eshbach, Bernie Fickes, Herb Forrey, Todd Harris, Marty Holmes, Linda Lewis, Stephanie Moore, Mark Reinhardt, Andy Smith, Kathy Kuhn, Ex Officio.

Excused: Donna Carr, Barbara Achtermann, Jeannie Clausen

Call to Order: 7:01 pm by Christa Conrad, President

Devotions: Bernie Fickes led devotions and prayer.

Minutes: A correction was made in the Pastor's Report concerning Dan's upcoming schedule. "He has a trip to Israel in May for a cross cultural experience and CPE (Clinical Practical Experience) in another setting for June, July, and August."

The minutes for the February 18, 2019 meeting were amended as above and then approved on motion by Todd Harris and seconded by John Eshbach.

Treasurer's Report: Andy Smith reported that the finances are continuing to hold steady through the winter. Deficit is still continuing at around \$11,000.

Commission Reports:

MPC: Did not meet in March. Minutes in packet from Feb. 18, 2019. Meetings are scheduled for **June 17 and September 16 at 6 pm.**

Education: as in packet.

Outreach: as in packet. Minutes from Feb. meeting. Did not meet in March.

Parish Life: as in packet. Clara Kosmela requested reminding members about the Garage Sale scheduled for April 26 and 27. Helping hands are needed to cashier on

those days and to set up, sort, and price items earlier in the week.

Property: Herb Forrey explained the anticipated arrangement with the Alliance for the Chesapeake Bay for planting trees in Rader Park. The April 13 proposed planting has been postponed until further decisions are made about the number and location of trees. The Commission members will be meeting with Ryan Davis of the Alliance to do an evening walk-through in the Park resulting in an exact arrangement between the Church and the Alliance. Other items were included in the packet and/or discussed under New Business.

Stewardship: as in packet, and Treasurer's report.

Worship: As in packet.

Pastor's Report – as in packet. Packet contains reports from both Kathy and Dan. Kathy discussed several items as listed under New Business.

Old Business: None to report.

New Business: Kathy introduced for discussion the following items: **(1)** A request through Jen Eaton for a "Training for Trainers" program by Team River Runners organization, in cooperation with Vision Corp, to use church facilities and Rader Park for one week in Aug. This group gets people with visual disabilities to get into kayaks to go out on water. Approximately 15 people would be setting up a tent camp at Rader Park, using the pavilion and Youth Center, and the kitchen in the church during the week (dates to be determined). **Council members enthusiastically discussed how this type of activity furthers the mission of our congregation and agreed for Kathy to proceed with planning.**

(2) Kathy presented the following, requesting that Council members pray for guidance as we consider how God may be leading us. The New Beginning Evangelical Church has outgrown the space it is presently using. This is the group that joined us for our memorable Thanksgiving Service this year. Kathy has had preliminary discussions with their pastor as to their needs. At present they use another church's facilities from 3:00 – 6:30 on Sunday afternoons. They would request using our sanctuary during that time for their worship services. Council members shared some prior experiences and raised a number of questions. Kathy repeated her request for discerning if God is calling us to share our space.

Council members agreed to prayerfully consider this information and supported Kathy to continue discussions with their pastor.

Council Minutes for April 2019 (Con't)

(3) Kathy reviewed the results of the survey in "Be the Church" that Council members have been reviewing. The highest consensus score indicated that our focus is on God with a community focus and congregational focus coming in next. This led to our discussion of each Council member being given a name of a church member who attends the opposite service with the intent to contact that person to get to know him/her better. Kathy will give us a name to contact before next Council

Parish Life

meeting. Council members will continue to read and study Be The Church. Herb introduced the following information and proposal:

1) Property commission has agreed to have Brooklawn Paving do three separate walkway projects in the area of the pond in Rader Park. The total expenditure will not exceed \$17,000.

2) Lapp Electric has worked with Herb and other members of the Property Commission to determine new

lighting for the sanctuary. A proposal from Lapp was presented and approved by the Commission members and then presented to Council. After answering questions and discussing options, Herb made the motion to accept the proposal to replace the halogen sanctuary lights with LED lights and the present dimmer system with a wireless dimmer control system. The amount for the total project is \$86,940.46. John Eshbach seconded the motion. The Council members unanimously approved the motion.

BOOK CLUB

The COA Book Club will meet at 2 PM in the parlor for book discussions this spring and summer. The books and

APOSTLES CARING CART

Our next ministry in the Apostles Caring Cart is to support Conner's Comfy PJs! Conner Holland was a young child from Lititz who lost his

battle with cancer when he was five years old. While Conner was receiving treatments he told his parents that he wished that all children with cancer could have comfy pajamas to wear. After his death Conner's parents started a foundation in his memory called the Conner Holland Foundation. Part of their mission is to collect pajamas for children receiving cancer treatments. We have been supporting this ministry for several years by collecting pajamas for these children. They are asking for girls' and boys' pajamas sizes 2T to age 18. They are especially in need of jammies for the older kids. Please consider participating in this wonderful ministry by donating new pajamas to the Apostles Caring Cart in the Narthex during the months of May. Donations will be given to the Holland family at the end of May. Thank you!

APOSTLES CARING CART (Continued)

Our congregation has very successfully completed the Blessing Bag ministry two times! Our first Blessing Bags were distributed to the homeless by individuals in our congregation. Our second Blessing Bags were given to homeless individuals through the winter overnight shelters at the Water Street Mission and St. Mary's church. We are very excited to announce that we will be assembling Blessing Bags again and this time they will be given to persons re-entering society from prison. Cathy Kenlin has been working with a program called RMO (Resources, Mentoring, and Opportunities) as part of her seminary studies and has informed us of the needs of those persons leaving prison and returning to society.

We will be collecting items for Breakfast Kits beginning May 19th and we will assemble the Breakfast Kits (Blessing Bags) during the first service on Sunday, August 18th. Beginning on May 19th there will be a poster board in the Narthex with sticky notes listing the items we

will need for these kits. Donated items can be placed in the Apostles Caring Cart in the Narthex or on tables in the sanctuary. Thank you so much for your continued support of our Blessing Bags ministry.

SUMMER MISSION TRIP TO HONDURAS

Central American Relief Efforts (C.A.R.E.) has scheduled its summer trip to southern Honduras from July 21st through the 28th — a week of providing health care, joy and receiving endless gratitude. Three days of medical clinics are currently scheduled, with at least a day for another public service and 1 day available for the group to spend as they determine. First and last days are travel.

To confirm the trip, C.A.R.E. needs 10 people going. Knowing Spanish, medicine or pharmaceuticals is not required— just adaptability to summer climate. Average cost for the week is \$1,000 which includes ALL expenses except airfare. Airfare varies by the day but \$650.00 is average range.

CHILDREN'S SUNDAY SCHOOL

During Lent the Sunday school children participated in a mission project benefiting the children living at the Transitional Living Center. We assembled practical Easter baskets for 40 children ages 1 month-16 years. Each basket had age appropriate items including a towel and wash cloth, personal care items, activity book and crayons or colored pencils, a travel cup and a small chocolate bunny. The baskets cost \$15 each. The classes raised the money through a bake sale. The kids enjoyed helping with the bake sale.

The folks at TLC said they were presenting the baskets to the children on Easter Sunday. This mission project had press coverage with LNP. Look for a future story in the LNP Faith and Values section. Thank

STRENGTHEN THE CHURCH

Donations support training opportunities for future leadership in UCC congregations. That may take the form of short term volunteer experiences in missions at home and abroad. People and funds may be sent to invigorate a Church in decline. Other projects to strengthen the Church may include starting a new Church in a forgotten place.

APOSTLES COMMUNITY PRESCHOOL

Spring is finally here! Apostles Community Preschool had a wonderful month learning about the sights and sounds of spring! The preschool children loved exploring bugs, bees, and nature!

We also celebrated Easter with egg hunts, treats and sweet delights. We were reminded of God's greatest gift and everlasting love. The children enjoyed hearing an

Saying Good-bye to a Link to Our Past

In January, Homestead Village lost another historic icon. Marjorie A. Schellenberger, a long time Homestead Village resident, passed away on the 22nd. She was 98. Mrs. Schellenberger's husband, Nevin, preceded her in death in 2004, shortly after they made Homestead Village their home. It was very appropriate that the Schellenbergers chose to retire to Homestead Village as the community was his brainchild decades earlier.

Nevin Schellenberger was pastoring St. Paul's Church in downtown Lancaster when he dreamed of having a church surrounded by a retirement community and other community agencies. He shared his dream with other like-minded visionaries in Lancaster County and soon found others who believed in his vision. The result was the beautiful Community Way campus, anchored by Church of the Apostles and originally included American Heart Association, American Cancer Society, Easter Seals (now Schreiber Pediatric), Parish Resource Center and Homestead Village.

Acclaimed at the time as an innovative campus focused on serving the community, Community Way has changed over the years; but its original mission as envisioned by Nevin Schellenberger close to fifty years ago remains as strong as ever!

Rev. Nevin Schellenberger (right) and Rev. Glenn Rader view the corn fields on an 84-acre site which was later developed into a campus housing Homestead Village and Church of the Apostles.

Marjorie and Nevin were married for 59 years. Marjorie graduated from Allentown High School and Cedar Crest College. She taught in Sinking Spring and J.P. McCaskey High Schools for 16 years. She was a member of Church of the Apostles, served as a Committee Women for the Republican Party in Manheim Township, President of the Iris Club, Women's Guild at Church of the Apostles, Meals on Wheels and President of Cedar Crest Club of Lancaster Homestead Village's very existence is a testimony to the faith and hard work of the Schellenberger family. We will miss Marjorie Schellenberger.
